

ANDANADA

To Whom it May Concern,

It is with pleasure and gratitude that we share comments on our experience with Alexei Krapivka in finding our new apartment.

It is our immense pleasure to recommend Alexei Krapivka as a real estate agent for any individual or family searching for the ideal apartment for their unique situation. In our case we needed an apartment conveniently close to our workspace Michelin starred restaurant Andanada.

Alexei took diligent notes regarding our specific needs. He did not waste our time with homes that were out of our price range or not in line with our needs. He came up with a deal that was good for us and made the landlord happy as well.

We found Alexei to be a highly attentive agent, almost as if we were her only customers, although we know that was not the case. He returned all phone calls and emails the same day. We never felt neglected or unimportant. He is also highly personable with an engaging personality.

We are pleased to recommend Alexei Krapivka to anyone looking to rent or buy an apartment. He is hands down the best in the business in our opinion and if we ever need to move again he will be our first choice in real estate agents.
