To Whom It May Concern:

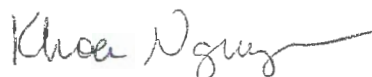

It is with great pleasure that I write this letter of recommendation for Alexei Krapivka. Alexei was quick in understanding what I was looking for and helped me find an apartment in less than a week.

New York City is a tough market for renters and it was comforting having a professional like Alexei walk me through the process. He showed me a multitude of apartments and was diligent in following up. Without a second thought, I would recommend him to anyone looking for an apartment.

Please feel free to contact me with any questions.

Thank you.

Sincerely,

Khoa Nguyen
