2018 Crew Appreciation Dinner

*In Celebration of
Battleship Iowa's Volunteers' Milestones
and President's Volunteer Service Awards*

Dear Crew and Guests,

Thank you for attending our 2018 Crew and Volunteer Appreciation party, and thank you for your continued service on the ship!

Your dedication and commitment to bringing alive the American Spirit has made Battleship IOWA Los Angeles's destination for connecting veterans with the public and has brought alive the American experience for countless kids, adults, and veterans daily. Without each and every one of you, we would not be among the top-five museums in Los Angeles and be in a position to plan our next evolution as a National Museum of the Surface Navy.

Starting as a Battleship Iowa, BB61 volunteer in 2000, I have spent close to 12 years working towards saving our ship. I never thought I would become a proud representative of a crew dedicated to creating a better future for many, and bringing our beloved ship back to life. Let's not forget that our greatest impact is on our fellow crew members and veterans. Quite simply, we are a family and home for many people that desperately need the support, interaction, and sense of belonging. I encourage you to remember this daily as you interact with your fellow crew members.

I am honored that you support me in my service as Battleship IOWA's President and CEO, and thank you for your continued dedication to our mission! A special thank you to Sue Schmidt and the Volunteer Office team for putting together this amazing party to honor your service, enjoy your evening!

At your service,

Jonathan Williams
President and CEO
