

## Announcing Academy Learning Online (ALO)

March 16, 2020

***Sacramento-based, locally-owned provider of academic support and extra-curricular technology and art classes expands online.***

### **Academy Learning is pleased to announce the launch of Academy Learning Online (ALO)**

In response to requests from families which have spiked since news of the recent temporary school closings, ALO will offer

#### **K-12 Support Online in All Subjects including Math, Writing:**

- Online Assessments and Private Tutoring,
- Group Math Support (IM1, 2,3 ), Homework Help
- Writer's Workshop

#### **Core and Extra-Curricular Classes to Challenge and Inspire:**

- Hands-On Slime Science Classes for Kids
- Technology: LEGO Robotics, Coding
- Creative Arts; Meet the Masters: Impressionists

ALO is powered by **Zoom Education**, the most widely adopted, robust and flexible online learning platform to host private tutoring as well as live study sessions and classes with a wide array of features and tools including video, interactive whiteboard, screen-sharing with live annotation and many more. (Zoom Education Fact Sheet: [Click and Download](#))

#### **COVID-19 School Closures**

As of today, 1:1 tutoring in-person is still being offered. **We are encouraging parents who are concerned about attending tutoring sessions in person, to utilize Academy Learning Online so that we may keep our valued instructors/tutors in their roles assisting your students during and after the COVID-19 closings.**

#### **COVID-19 Mini-Semester: Group Math Support/Front-Loading, Writing, Technology, Art**

In hopes of helping you keep your kids focused on their academics and motivated to learn, we are offering an array of classes including Group Homework Help, IM (Math 1-3) Group Support, Writer's Workshop, Hands-On Slime Science for Kids, LEGO Robotics and Coding, Game Coding (Minecraft and more), and Meet the Masters Hands-On Art Appreciation. Our instructors are energetic experienced and ready to boost morale at home over the coming weeks.

**How to Connect; Just Click**

24 hours prior and again 15 minutes prior to your student's individual or group session/class, you will receive an email, text or both with a hyperlink to both download the app and launch the session. **Zoom** has made joining a session as a new user quick and easy. Both reminders will include the link to launch the app on your iOS or Android device, PC, Mac or Chromebook.

**Boredom, Screen Time and Exploring Possibilities**

For our own 4 school-age kids, we intend to incentivize to dedicate time in the coming weeks to learning something new. If you would like to see us offer an extra-curricular class you don't see on our website, don't hesitate to let us know and we will recruit the best instructors available and publish the description and schedule.
