## Guess the country

| 1: Geography                        | 5: Film and TV   |
|-------------------------------------|------------------|
| 1)                                  | 1)               |
| 2)                                  | 2)               |
| 3)                                  | 3)               |
| 4)                                  | 4)               |
| 5)                                  | 5)               |
| 2: Science and Maths                | 6: Music         |
| 1)                                  | 1)               |
| 2)                                  | 2)               |
| 3)                                  | 3)               |
| 4)                                  | 4)               |
| 5)                                  | 5)               |
| 3: Food and Drink (but mostly food) | 7: Picture round |
| 1)                                  | 1)               |
| 2)                                  | 2)               |
| 3)                                  | 3)               |
| 4)                                  | 4)               |
| 5)                                  | 5)               |
|                                     | 6)               |
| 4: Literature                       | 7)               |
| 1)                                  | 8)               |
| 2)                                  |                  |
| 3)                                  |                  |
| 4)                                  |                  |
| 5)                                  |                  |
