

CANTED BARREL TEST FOR ALL 10/22® RECEIVERS

Safety First: !!WARNING!!

Before beginning any installation or modification:

- Ensure your **FIREARM IS COMPLETELY UNLOADED.**
- **REMOVE** the **magazine** and **visually inspect** the **chamber** to confirm it is **EMPTY.**
- Keep ammunition away from your work area.

Note: Modifications may void certain warranties. **If unsure, consult a professional gunsmith.**

PRECISION MATTERS. SO DOES INTEGRITY.

**REMOVE THE TRIGGER GROUP,
BOLT AND BOLT HANDLE**

**LAY THE RECEIVER
ON A FLAT SURFACE**

**WHILE HOLDING DOWN
THE RECEIVER...**

**USING A FEELER GAUGE,
DECK OF CARDS OR SHIMS...**
