

CON-SERV

MANUFACTURING

Standard are the Obvious Con-Serv Qualities:

User Friendly ■ Quality Construction ■ Performance ■ Low Cost to Operate ■ Inexpensive to Purchase

Industrial Filters

Con-Serv Manufacturing can design and manufacture a wide variety of Multi-media Filters, Sand Filters, Water Softeners, Zeolite Filters, Carbon Filters, Turbidex Filters, and Iron Filters for any Industrial Application.

Our Engineers will work with you to properly size the appropriate filter. Con-Serv Manufacturing is not a one size fits all company. Just as each water problem is different, each project is also different. Whether size, cost, controls or any other concern that may arise be confident Con-Serv will help every step of the way.
