

*"Your children need your presence
more than your presents."*

Jesse Jackson (1941-)

Civil rights activist and Baptist minister

HOLD FAST!

Journey with me, if you will
Take my hand or simply follow
But follow closely you must
Lest the throngs us separate
I know you think yourself ready
Ready and prepared
To travel on your own
But hold fast and follow
I am not ready to let go
Much you have seen
But there is still much to see
Much you have done
But there is still much to do
Much you have learned
But there is still much to be taught
Journey with me, if you will
Take my hand or simply follow
Follow closely or hold fast
But stay close
I am not ready to let go ...
YET!
