

Giving Back, Serving God

A primary mission of Anchor Ministries is to serve God through serving others. The men of Anchor are honored and blessed by the opportunity to help others in need. To go from a life that strictly was about taking and turning to a life that glorifies God and puts other's needs first is such a powerful testimony of what our mighty God can do. The Midway family is so grateful for the opportunity to not only pour into, but to learn from this precious ministry.

“

Before [my salvation] I always thought about getting the best for myself now all of the sudden I care about others and I just want to serve Him.

from the testimony of Anchor's Program Manager, Anthony Busby

What is Anchor Ministries?

Anchor Ministries, a Christian transitional program for men, was born through the desire of Midway Baptist to be a church that first, practices its Mission statement which is Love God Love People. Second, Midway has a heart for men and women dealing with addiction. We saw the need and with God's guidance and direction we work to meet that need.
