

Graduations and More!

Since our last issue, two more graduates have completed Anchor's program! Please pray for them and each man in Anchor who continues working through their recovery and restoration. God has continued to bless Anchor and Midway Baptist! In January, MBC voted to increase its Pastoral care by adding two new Elders, Mike Wright & Anthony Busby. We are thankful for their love of the Lord and faithfulness to serve Him, MBC, and Anchor Ministries! We are praising God for His provision! We currently have 13 men in the program and each of them is working! We had a need for transportation, but praise God He provides! We have two men working to obtain their GED two more recently baptized and several have obtained valid driver's licenses! The men continue to grow in their walk with God and are overwhelmed by your love, support, and encouragement! Because of your financial support of Anchor, we are able to continue to provide and maintain a safe healthy environment for the men. We are so thankful for all you do and how you love this ministry!

'But seek first the kingdom of God and his righteousness, and all these things will be added to you.' Matthew 6:33

Following Christ & Making Disciples

Our mission statement at MBC is a Community of Christ Followers who make Disciples. This mission carries down to the Anchor and challenges the men to be not only followers of Christ but to tell others about Him as well. We see God working in the lives of the men but we also see God using them to disciple in their families and relationships. It is truly a beautiful sight to see!

Anchored T Shirts

With your support, Anchor Ministries is able to continue working with men seeking to gain a deeper relationship with God and find restoration in their lives while learning how to live a godly sober life. Your support covers renovations and maintenance of Anchor's facility and provides an opportunity to raise awareness of Anchor's program and the desperate need for programs like Anchor. Additionally, your faithful giving allows MBC the opportunity to work on improvements to Anchor's program in areas of training, counseling, and career building just to name a few. Really, the "how" of discipling is not that complicated. It's about doing life together with other people as you all journey toward Christ. We make friends and then walk them in a Christward direction. - Mark Dever
