PRODUCT INFORMATION

Contents	Monophasic HA
Applicable parts	Facial moderate wrinkles like Lip contouring, Nasolabial folds, Glabellar commissure.
Concentration	24mg/ml
Volume Options	1ml / 2ml / 10ml / 20ml
Needle Size	26G
Duration	12-18 Months
Shelf Life	24 Months
Origin	Made in UK

IDEAL FOR

- Lip Contouring & Definition
- Nasolabial Folds
- Glabellar Commissure Lines
- Moderate Perioral Wrinkles
- Enhancement of Lip Volume
- Improving Lip Symmetry

BEFORE & AFTER

BEFORE

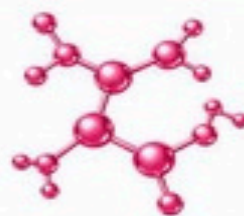

AFTER

* Results may vary from person to person.

WHY AETHRYX™ LIPS?

AETHRYX™ LIPS is a premium cross-linked monophasic hyaluronic acid gel with lidocaine, designed to deliver superior lip contouring and natural volume while smoothing moderate wrinkles. Its optimal viscosity and elasticity provide excellent shaping, hydration, and long-lasting results.

COMPOSITION

- Hyaluronic Acid (Cross-linked)
- Lidocaine
- Phosphate Buffered Saline (PBS)

SAFETY & QUALITY

- Sterile & Pyrogen-Free
- Certified
- Biocompatible & Biodegradable
- High Purity Medical Grade

RECOMMENDED USE

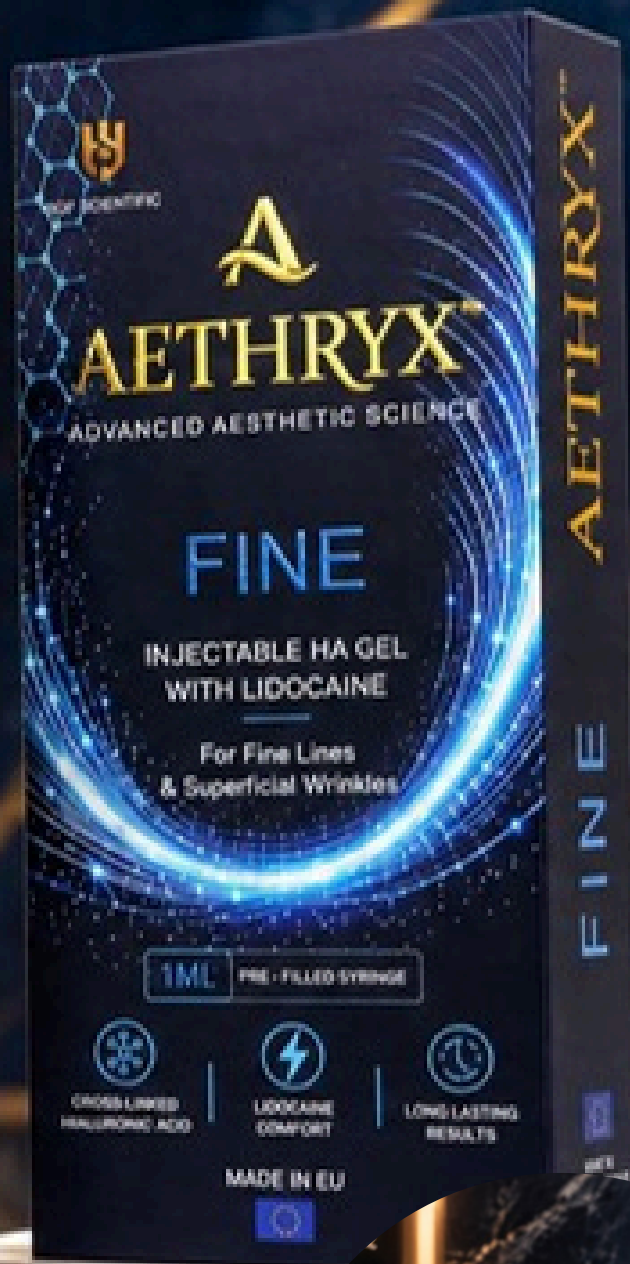

For professional use only.
To be administered by
qualified medical practitioners
trained in aesthetic procedures.

Lyophilized Powder + Lysozyme

For Hair Follicle Regeneration
& Hair Growth Activation

ADVANCED EXOSOME TECHNOLOGY FOR THICKER, STRONGER, HEALTHIER HAIR

PRODUCT INFORMATION

Contents	Exosomes, Acetyl Tetrapeptide-3
Main Ingredients	Exosomes, Acetyl Tetrapeptide-3
Volume	20mg Lyophilized Powder + 5ml Lysozyme Solution
Function	Stimulates Hair Follicle Regeneration, Promotes Thicker, Stronger Hair Growth, Revitalizes Dormant Hair Follicles, Nourishes Scalp & Hair Roots, Reduces Hair Loss & Supports Hair Density, Targeted Hair Growth Activation.
Treatment Area	Scalp (Hair loss areas)
Shelf Life	24 Months
Origin	Made in UK

TARGET INDICATIONS

- ✓ Androgenetic Alopecia
- ✓ Postpartum Hair Loss
- ✓ Stress Induced Hair Loss
- ✓ Thinning Hair & Low Density
- ✓ Weak Hair Roots
- ✓ Hair Transplant Support

BEFORE & AFTER

*Results may vary depending on patient and techniques.

HOW IT WORKS

- ✓ Exosomes deliver bioactive proteins to dormant hair cells
- ✓ Acetyl Tetrapeptide-3 supports follicle entering & growth growth
- ✓ Lysozyme helps maintain scalp health & optimal environment
- ✓ Enhances fibroblast proliferation & scalp cell vitality

KEY BENEFITS

- ✓ Stimulates Hair Follicle Regeneration
- ✓ Promotes Thicker, Stronger Hair Growth
- ✓ Revitalizes Dormant Hair Follicles
- ✓ Nourishes Scalp & Hair Roots
- ✓ Reduces Hair Loss
- ✓ Improves Hair Density

COMPOSITION

- Exosomes
- Acetyl Tetrapeptide-3
- Lysozyme
- Phosphate Buffered Saline (PBS)

SAFETY & QUALITY

ADVANCED EXOSOME TECHNOLOGY FOR HEALTHIER, YOUNGER, RADIANT SKIN

PRODUCT INFORMATION

Contents	Exosomes, Acetyl Tetrapeptide-3
Main Ingredients	Exosomes
Volume	20mg Lyophilized Powder + 5ml Lysozyme Solution
Function	Highly effective anti-aging, anti-inflammatory, repair skin barrier, instant soothing, fading acne marks, anti-wrinkle and firming, activating fibroblasts, stimulating collagen regeneration, deep moisturizing.
Treatment Area	Face & Body (All skin areas)
Shelf Life	24 Months
Origin	Made in UK 

TARGET INDICATIONS

- Signs of Aging & Fine Lines
- Damaged Skin Barrier
- Acne Scars & Blemishes
- Dull, Dry & Dehydrated Skin
- Redness & Irritation
- Loss of Elasticity & Firmness

* Results may vary depending on patient and technique.

KEY BENEFITS

- Repairs & strengthens skin barrier
- Anti-aging & reduces fine lines
- Reduces inflammation & soothes skin

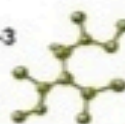

- Fades acne marks & blemishes
- Boosts collagen production
- Deep hydration for radiant skin

HOW IT WORKS

- Exosomes deliver bioactive signals for cell regeneration
- Enhances fibroblast activation & collagen synthesis
- Rebuilds damaged skin barrier & improves resilience
- Provides intense hydration & long-lasting repair
- Improves overall skin texture, tone & elasticity

COMPOSITION

- Exosomes
- Acetyl Tetrapeptide-3
- Lysozyme
- Phosphate Buffered Saline (PBS)

Product Name	Poly-L-lactic acid Exosome
Ingredients	PLLA, Tripeptide-5, Tripeptide-10, Glutathione, Mannitol, Glycerol
Packaging	1 vial 365mg PLLA + 1 vial 5ml Lysozyme
Function	Stimulates collagen production, improves skin firmness and elasticity, advances skin texture and tone, reduces fine lines and wrinkles, rejuvenates and promotes cell regeneration.
Maintenance Time	12 - 24 Months
Storage Temperature	2 - 30 °C
Shelf Life	12 - 24 Months
Origin	Made in UK

TARGET INDICATIONS

- ✓ Loss of Facial Volume
- ✓ Fine Lines & Wrinkles
- ✓ Sagging & Skin Laxity
- ✓ Dull & Tired Skin
- ✓ Uneven Skin Texture
- ✓ Enlarged Pores
- ✓ Acne Scars & Indents

* Results may vary depending on patient and technique.

HOW IT WORKS

- ✓ PLLA stimulates your skin to produce new collagen naturally.
- ✓ Over time, PLLA breaks down into water and carbon dioxide.
- ✓ The effects appear gradually over a few months, delivering natural-looking, long-lasting results.

PRODUCT INFORMATION

	Product Name	Glutathione
	Packaging	5mL x 5 vials
	Intended Use	Whitening and Brightening
	Function	Reduces melanin pigmentation and makes your skin even-toned. Smoothens your skin, skill in reducing fine lines and wrinkles, stops hyperpigmentation, and makes skin lustrous.
	Main Ingredients	Glutathione, Amino acids, Vitamin C, Vitamin E, Hyaluronic acid, Peptides, etc
	Shelf Life	24 Months
	Storage Temperature	2 - 30 °C
	Origin	Made in UK

TARGET BENEFITS

- ✓ Whitens & Brightens Skin
- ✓ Reduces Melanin Pigmentation
- ✓ Evens Skin Tone
- ✓ Smooths Fine Lines & Wrinkles
- ✓ Stops Hyperpigmentation
- ✓ Enhances Skin Radiance
- ✓ Improves Skin Texture
- ✓ Deeply Hydrates
- ✓ Antioxidant Protection

* Results may vary depending on patient and technique.

HOW IT WORKS

Glutathione acts as a powerful antioxidant, helping to inhibit melanin production while detoxifying the skin. It works synergistically with essential nutrients to repair skin, reduce oxidative stress, and provide a clearer, brighter and more youthful complexion.

PRODUCT INFORMATION

Product Name	Skin Booster Premium Meso
Packaging	5mL x 5 vials
Intended Use	Improve skin dull yellow / Improve skin aging / Moisturize skin / Wake up skin's self-repair ability
Function	And long-term use can improve the dark circles of the eyes, spots, crow's feet, melanin and other aging skin, make the skin white, smooth, delicate and healthy
Main Ingredients	Normal Saline, Sodium Hyaluronate, Glycerin, Mannitol, etc
Shelf Life	24 Months
Storage Temperature	2 - 30 °C
Origin	Made in UK

TARGET BENEFITS

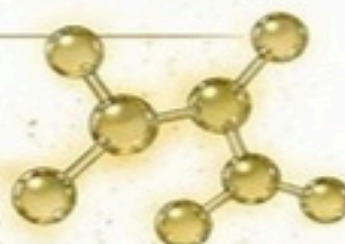

- Improves Skin Dull Yellow
- Brightens & Even Skin Tone
- Reduces Skin Aging Signs
- Reduces Fine Lines & Wrinkles
- Wake up Skin's Self-Repair Ability
- Deeply Moisturizes Skin
- Improves Skin Texture & Elasticity
- Long-Term Use Benefits
- Antioxidant Protection
- Promotes Overall Skin Health

* Results may vary depending on patient and technique.

HOW IT WORKS

The advanced mesotherapy solution delivers powerful nutrients deep into the skin to stimulate collagen, boost cell regeneration, hydrate, and repair damage. This helps hydrate dull skin, reduce signs of aging, even skin tone, and restore a youthful, radiant complexion.

COMPOSITION

- Normal Saline
- Sodium Hyaluronate
- Glycerin
- Mannitol

MADE IN UK

PRODUCT INFORMATION

Contents	Sodium Hyaluronate Gel
Volume	2ml syringe
Form	Sterile viscoelastic gel
Application	Intra-articular injection
Technology	Non-crosslinked hyaluronic acid
Shelf Life	24 Months
Origin	United Kingdom

INDICATIONS / APPLICATION AREAS

Knee Osteoarthritis

Joint Stiffness

Cartilage Degeneration

Synovial Fluid Deficiency

WHY AETHRYX+ GEL?

AETHRYX+ GEL is a high-purity sodium hyaluronate formulation designed to restore joint lubrication, reduce pain, and improve mobility. It mimics natural synovial fluid, acting as a shock absorber and enhancing joint function.

HOW IT WORKS

Injected into
the joint space

Restores lubrication
and viscoelasticity

Reduces pain and
improves mobility

COMPOSITION

- Sodium Hyaluronate
- Phosphate Buffered Saline (PBS)

FUNCTION

- Relieves joint pain and inflammation
- Improves joint lubrication
- Acts as shock absorber
- Enhances mobility and flexibility

SAFETY & QUALITY

- Sterile & Pyrogen-Free
- CE Certified
- Biocompatible
- Medical Grade

RECOMMENDED USE

For professional use only
Administered by qualified
healthcare professionals.

STORAGE
Store at 2 °C – 25 °C
Avoid direct sunlight
