

SAVANNAHS HOMEOWNERS ASSOCIATION

PROCLAMATION

After completing a perceptible analysis of comparable Fiscal Year budgeted expenses to anticipated incomes, it is evident that the present level of Homeowners dues assessment will not need to be amended. Therefore, it is approved and adopted by the Board of Directors that the assessment dues remain at \$300 per year.

However, in the event of an Emergency, the Board has the authority to render and impose a "Special Assessment" as needed to meet any unforeseen increased expenses.
