

Pique Entertainment and Michael Goodwin Present

The Golden Age of Musical Theater Part 2

I call this the “Lerner and Lowe Show” because we start with *Brigadoon* and end with *My Fair Lady*. But don’t worry, we also get to visit with Shakespeare in *Kiss Me, Kate* and explore love and tragedy in Maine in *Carousel*.

As always, there will be singing, lecture, video clips from various shows, and many opportunities to participate.

We always encourage everyone to sing along and get involved.
