Michael Goodwin and Pique Entertainment Present

The Great Musicals of the 60s Part 2

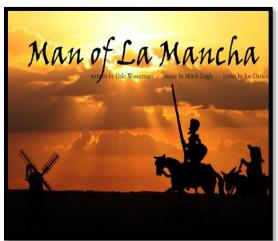

The second installment of this 2-part series spans several musicals From *Fiddler on the Roof* to *Funny Girl* to *Man of La Mancha* and many more.

Even though the 60s were a difficult time for the Broadway musical, some classic shows came out of the decade, and some songs were crossover hits. Come join us!

There will being singing, lecture, video clips from various shows, and many opportunities to participate.

As always, we encourage everyone to sing out and have fun.
