## *The Golden Age of Musical Theater Part 2*

Visit with Shakespeare in *Kiss Me, Kate* and explore love and tragedy in Maine in *Carousel*. We'll travel to the London in *My Fair Lady* and find true love in *Brigadoon*. Let's dance, sing, and discover a little magic.

As always, there will be singing, lecture, video clips from various shows, and many opportunities to participate.

***We always encourage everyone to sing along and get involved.***
