

# Michael Goodwin and Pique Entertainment Present

## *The Golden Age of Musical Theater Part 4*

Can you imagine two shows that are more different?  
What if I told you they were more similar than they seem?

**Both shows came out in the same year.**

**Both shows were nominated for multiple Tony Awards.**

**Both shows were nominated for Best Musical.**

Only one can win.

We will compare both shows side-by-side, and we get to decide who deserved the Tony.

*As always, we encourage everyone to sing along and get involved.*
