

The **THREE LITTLE PIGS** and the **Not So Big Bad Wolf**

Teacher's
Guide

by
Clarissa Willis

illustrated by
Nab Shaw

Book Overview:

This fresh take on the classic tale teaches children about friendship, understanding others, and challenging preconceptions.

Learning Objectives

- Compare and contrast with the traditional story
- Develop critical thinking skills
- Explore themes of friendship and understanding
- Practice prediction and inference skills
- Build vocabulary
- Enhance social-emotional learning
- Accepting differences

Pre-Reading Ideas (Story Prediction)

- Show the cover and ask students what they notice about the wolf –
- Discuss the meaning of "Not-So-Big-Bad"
- Have students predict how this story might be different
- Discuss traditional fairy tales and their elements
- Share experiences about making new friends

What do you think the Pigs are talking about in this picture?

During Reading

Vocabulary

- Construction-related terms
- Emotion words
- Character description words

Discussion Questions

- How is this wolf different from the traditional story?
- What do the pigs think about the wolf at first?
- How do their feelings change?
- What materials are the houses made from?

Post-Reading

Create a Venn Diagram comparing the traditional story to this version

Creative Writing

- Write a letter from one pig to the wolf
- Create an alternative ending
- Design a new house for the pigs

Arts-Crafts

- Design and build miniature houses using different materials
- Create character puppets for retelling
- Draw a new friend for the wolf

Stem Connection

- Talk about the importance of recycling
- Discuss how the animals might help each other.
- What do you think would happen to the pig's house if a storm came?

Social-Emotional Connection

- Discuss prejudice and preconceptions
- Role-play making new friends
- Practice conflict resolution
