

## **It is Official! The PBA USA is back for the 2025 season!**

### **A Note from Scottie Marzonie**

I joined the PBA (Professional Bowls Association) and started Bowling in the US Qualifiers four years ago. I look forward to sharing my knowledge with all of you who are interested in becoming a member. Members can compete in US Qualifier tournaments that give you the opportunity to bowl Internationally based solely on your own results from tournament play in the PBA. First, a little background.

### **What is the World Bowls Tour and the PBA?**

#### **WORLD BOWLS TOUR**

- World Bowls Tour (WBT) was formed in 1997, under the then chairperson Richard Corsie.
- The World Bowls Tour is an International Organization which promotes bowls worldwide and organizes competitions, including the World Indoor Bowls Championships.

Its partner organizations, the **Professional Bowls Association** and International Indoor Bowls Council run qualifying competitions for their players to qualify for WBT events.

Since inception the WBT has collaborated with partner organizations, broadcast partners, sponsorship teams and online streaming partners to run successful tournaments and promote the sport of bowls.

#### **PBA USA: History**

The aim of the PBA is to promote and develop Professional Bowls worldwide and in doing so, foster, safeguard and encourage the game of bowls at all levels.

The Professional Bowls Association (PBA) was formed in 1997 by bowlers worldwide including Bowls USA Hall of Fame member Frank Souza. The PBA has branches in US, Canada, Australia, New Zealand, Hong Kong, Israel, South Africa, and the UK.

The World Bowls Tour runs a series of events including the Scottish International Open, the World Indoor Bowls Championships at Potters Resort, UK and the UK Open to be held in Essex/North London.

Bowlers compete in their home country to qualify for the honor of playing in the Tour events.

The US branch of the PBA has confirmed the dates and location of our US Qualifiers for this season.
