ABOUT

VILLA is the electronic music alias of Elisa Villafana. Growing up as a classically trained violinist, Elisa found her passion for creating music and performance at a young age. Elisa has established herself as an ever evolving force in trap music. Her sound and artistic vision know no bounds.

VILLA started her career DJing bars in lower Manhattan but began to gain traction in the electronic scene in 2022 when ISOxo found her on SoundCloud, and asked her to open his Nightrealm Tour with Brownies & Lemonade. Since then, VILLA's career has truly hit the ground running, gaining support from super stars such as Alison Wonderland, ISOxo, The Chainsmokers, RL Grime, and Zeds Dead.
