

LAKES OF LOCKWOOD POA, Inc.

RULES AND REGULATIONS FOR OPERATION OF GOLF CARTS AND ATVs

1. No golf carts/ATVs can be operated in the Lakes of Lockwood community unless it is on a paved surface or on your own property.
2. Driving on the common areas off the designated gravel pathway or on other people's property is strictly prohibited.
3. All golf carts/ATVs on the road will operate in the same direction of travel as a registered vehicle is traveling per NC regulations, specifically on the right side of the roadway.
4. The driver of the golf cart/ATV on LOL roads and common areas must have a learner's permit or a driver's license to operate the golf cart/ATV. If the driver has only a learner's permit, then he/she must have a licensed driver with him/her.

In North Carolina, it is illegal for any person under sixteen (16) years of age to operate a golf cart/ATV on public roads without a driver's license. This same legal requirement is applied to the roads within the Lakes of Lockwood community by the LOL POA charged with governing the use of the private roads within the LOL community for the safety and welfare of all the community and in protection and preservation of the common areas of the LOL community.

Any person who owns, operates or rides on a golf cart/ATV within the Lakes of Lockwood community does so at his/her own risk and peril and assumes all liability resulting from the operation of a golf cart/ATV.

Please be advised that any infraction of the Golf Carts/ATVs Rules and Regulations are subject to the adopted rules and regulations of the LOL POA and will be enforced.
