

JOIN OUR TEAM

At J.B.C Crawley Industrial Services we are proud of what we do and take excellent care of our people. As a family owned and operated business, we operate a professional hierarchy based on merit and teamwork. We promote from within at every opportunity and prioritise the wellbeing of our workforce.

We offer a competitive salary based on experience, company vehicles and top of the range equipment. We also sponsor our employees who demonstrate initiative and seek to expand their knowledge and skillset within the industry through accredited training courses.

Due to the nature of our work, safety and attention to detail are critical aspects of the role. We also require our teams to demonstrate flexibility and determination, working week-ends and bank holidays as required.
