Initiative Name: **2012 Cooperative Weed Management** Initiative Type: Land Water Treatment

Year: 2012

Description

✓ The SWCD will work with townships to locate noxious/invasive weed infestations along road-right-of-ways. The SWCD will contact all 21 townships and encourage them to utilize information and maps the PCCWMA (Polk County Cooperative Weed Management Area) provide them that addresses priority infestation areas. Main focus will be spotted napweed, leafy spurge, thistle and wild parsnip. The SWCD will provide cost-sharing assistance up to 75% with grant funds divide between the interested township. The SWCD will utilize the cost-share contract form. The townships will be required to contribute a minimum of 25%. Chemical treatment will be provided by a certified applicator.
