INDIGENOUS CARE FOUNDATIONS MICRO-CREDENTIAL

**BLENDED
210 HOURS
PART-TIME**

Holistic and Culturally Informed Care

Indigenous seniors often experience poorer health outcomes due to a lack of culturally appropriate care. This micro-credential empowers caregivers with the knowledge and skills to deliver respectful, culturally responsive care, supporting better health and well-being for Indigenous Peoples.

Admission Requirements:

There are no prerequisites required.

Estimated Program Cost: \$750.00

[Visit \[rdpolytech.ca\]\(http://rdpolytech.ca\) to learn more.](http://rdpolytech.ca)

A photograph of three women in a supportive conversation. On the left, a woman with curly hair looks down thoughtfully. In the center, a woman with long hair smiles gently. On the right, a woman with her hair in a ponytail has her hand placed on the shoulder of the woman in the center, offering support. The background is softly blurred.

TRAUMA INFORMED WORKFORCE MICRO-CREDENTIAL

**ONLINE
60 HOURS
PART-TIME**

Respond With Care

Trauma affects everyone differently—and recognizing its signs is key to providing meaningful support. This micro-credential helps frontline workers develop a trauma-sensitive mindset and practical skills to respond with care, fostering resilience in both individuals and communities.

Admission Requirements:

There are no prerequisites required.

Estimated Program Cost: \$900.00

[Visit \[rdpolytech.ca\]\(https://rdpolytech.ca\) for intake dates.](https://rdpolytech.ca)

COMPLEX CARE & PATIENT NAVIGATOR MICRO-CREDENTIAL

**ONLINE
25-35 HOURS
PART-TIME**

Guiding Patients. Bridging Care.

Navigating the healthcare system can be overwhelming—especially for vulnerable individuals facing barriers to treatment. This micro-credential prepares you to support patients and their families through complex care journeys, helping ensure they receive the right care at the right time.

Admission Requirements:

Applicants should be regulated healthcare professionals in good standing in their college living in Canada or the U.S.

Non-regulated health professionals should have:

- A bachelor's degree in a health-related field (e.g., public health, psychology, kinesiology)
- At least one year of relevant healthcare experience
- Strong knowledge of healthcare, social services, and community resources.

Estimated Program Cost: \$595.00

Visit rdpolytech.ca to learn more.
