# GED & Adult Learning Supports

## CAEC (Canadian Adult Education Credential) Preparation (Formerly GED)

Don't miss an opportunity to get some help in preparing to write your CAEC exams! This course is free if you qualify under the part-time studies program, including exam fees. Otherwise, there will be a low fee of \$100 plus the exam fees.

This class includes:

- 100 hours of GED preparation instruction via videoconference from Academic Express.
- Books and calculator
- In-house assistance.

**Instructor:** Academic Express Adult Education & Training

**Dates:** October 1st, 2024 - December 12, 2024  
Tuesdays, Wednesdays, Thursdays

**Time:** 5:00pm - 8:00pm

**Location:** Drumheller Community Learning Society

**Free**, if eligible for the Part-Time Studies Grant **or** \$100 **plus** exam fees.

**\*Registration is open until October 1, 2024.**

*Call 403-823-8300 to apply today!*

## Get Ready For The CAEC Prep!

Free

Preparing for the CAEC test can be a difficult challenge. Before you register for a GED Prep class, you may need to brush up on some basic math and language arts skills first. Volunteers and staff are available to help on an appointment basis to help you gain confidence before you take the next step and register for the actual CAEC Prep Class.

*Call 403-823-8300 to arrange an appointment or for more information. Available upon request.*

## Boost Your Math Skills!

Free

Whether you are getting ready for the CAEC prep course or just to improve your math for every day life, we can help! In a one-on-one setting, you can learn, practice, and develop your math operation skills -adding, subtraction, multiplying, dividing, calculating dimensions, fractions, and more! We can focus on what you want to learn and at a pace that works for you.

*Call 403-823-8300 to arrange an appointment or for more information. Available upon request.*

## Reading & Writing Workout!

Free

You can raise your reading and writing abilities to a higher level, with our one-on-one support. Whether you are getting ready for a CAEC Prep course or just want to improve reading and writing for everyday life or work, let us provide some help. We can focus on what you would like to learn - understanding directions or instructions, writing letters or emails, filling out forms and more. You can work at your own speed at a time that works for you.

*Call 403-823-8300 to arrange an appointment or for more information. Available upon request.*

**For all course registrations and inquiries call 403-823-8300. Registration and/or cancellations must be completed 1 week before the class. Classes may be cancelled if minimum numbers aren't met, so register ASAP!**

# English Second Language (ESL)

## Let's Talk!

Free

Adults who are beginning to learn English can enroll in this introductory conversational class that helps students increase their confidence and skill in the English language while meeting new people in a relaxed and social setting. Evenings will focus on real life situations such as conversations between a customer and store clerk, between a parent and a teacher, between a job applicant and employer, plus other life events including practicing reading and writing English.

**Instructor:** TBD

**Dates:** Call for more information.

**Location:** Drumheller Community Learning Society

*Call 403-823-8300 for more information and start dates or follow us on Facebook!*

## Getting to "Know Canada" for the Canadian Citizenship Test!

\$96

Do you want to practice your English while learning about your new country? Are you preparing to take the Canadian Citizenship Test? This course is for you. The course covers all the information found in the official Citizenship test study guide, "Discover Canada," but we will be using a new workbook written especially for you. The course will be helpful for those studying for the test but also includes an opportunity to read and write in English and to learn more about Canada.

**Instructor:** Sheena Ross

*Call 403-823-8300 to arrange an appointment or for more information. Available upon request.*

## International English Testing OR Canadian English Language Proficiency Index Program (CELPIP)

Free

Participants will learn strategies to assist them in writing each section of the IELTS or CELPIP exam (reading, listening, writing and speaking). Participants will develop and practice language skills and focus on intensive test practice to become familiar with the format of the IELTS or CELPIP text.

*Call 403-823-8300 to arrange an appointment or for more information. Available upon request.*

# Brooks & County

## Immigration Services

New Drumheller Office  
located in the  
Community Futures Building!

Provides guidance or assistance with filling out documents and paperwork.

Connects you and your family with family doctors, school, and other local resources.

Helps you learn and get settled into your new community, and more!

# Family & Lifestyle

## Power of Four

Free

Our program will help you be more aware of the skills and strategies that help your child be ready for kindergarten. Through the use of award-winning children's books, hands-on activities and discussion, you will have a better understanding of the skills essential to a successful start to school. In the Power of Four, parents will discover a delightful new way to take a book walk, learn the alphabet, enjoy play-based fine and gross motor skills and much more.

**Instructor:** Louise Henrickson

**Location:** Drumheller Community Learning

**Dates:** TBD - Call for more information!  
Call **403-823-8300** to register.

## Family Homework Help \*NEW!\*

\$20

Parents, are you struggling with helping your child do their homework? We understand! That's why we are offering "Family Homework Help!" That way, we'll support both you and your child at the same time, creating a fun and engaging environment to teach skills, concepts, and strategies. By doing this, you'll find that you're able to continue helping your child learn at home throughout the school year! Call us today to learn more about our Family Homework Help program.

**Instructor:** Louise Henrickson

**Location:** Drumheller Community Learning

**Date:** TBD

Call **403-334-8233** for more information and to book an appointment.

# Drumheller Family Literacy

A simple gift...  
To learn, laugh,  
play, & grow  
together.

It's not always easy being a parent.  
Often you're tired and have too much to do.  
When you join us, we can help out so you can take a break!

Play is the "work of children". Parents are an essential "play partner" for their children. When parents play with their kids, they learn to explore and discover the world and their role in it. Come play with us!

We can teach you songs and comfort strategies for when your child is in need!  
Responding quickly in ways that show your child they can depend on you will give your child the simple gift of confidence.  
This gift will make a huge difference for the rest of their life.

Program	Ages
Bright Beginnings	Birth to 12 Months
Playful Discovery	Birth to 5 years
Power of Four	3 - 5 years
Bond to Literacy	Birth to 5 Years
Badlands Building Blocks	Birth to 5 Years

Learn business models & concepts

Gain networking & communication skills

Develop your marketing plan

# Computers

We are offering tutorials for all your computer needs. See our list below of topics and some suggestions. Tutorials are tailored to fit your need, time, and number of sessions. Parties will be put in contact with an instructor and arrangements made to meet.

## **Fee: \$40/hour**

Laptops may be supplied during the tutoring session if required, otherwise, please bring our own device.

## Raylin Robinson

Raylin Robinson is an experienced computer trainer, having recently worked with large organizations to help implement a new computer and operating system and train new staff and users until proficiency. Along with this, she is also highly experienced with Microsoft Suite products, such as Outlook, Word, and Excel - but that's not all! Raylin also has some experience in social media marketing and would love to share her knowledge with you!

## **Computer Basics**

This course will teach you how to use your computer in a few hours. Learn basic components of your operating system. Learn how to personalize your desktop, maintain your files, how to use an email program, send and save attachments, upload and download files as email message attachments, use a web browser and Adobe Acrobat Reader and various other housekeeping tasks. No experience is necessary, but you will leave this course more confident in your computer skills!

## **Web Searching and Email 101**

The internet contains millions of websites and billions of pages. No wonder it is easy to become frustrated when searching for information on the internet. In this course, you will learn some timesaving tricks to help you "surf the net" like a pro. You will also learn how to send and receive basic email messages using web-based email and how to open and save an attachment that has been sent to you. You will leave this course with much more confidence and web savvy.

## **Microsoft Word Basics**

Discover the features in Word that enable you to create basic documents such as letters, posters or invitations. You can work on: saving, opening and printing documents: using tabs and indents: and working with tables and more. Previous computer experience in a Windows environment is desirable.

Mastering your computer  
can be as easy as  
clicking your mouse!

# Computers

## Social Media Marketing Basics

Are you hoping to expand your business by building an online presence or community on social media? We can help teach you about the various social media platforms, like Facebook or Twitter, and which features they offer that will help you create your brand. Such as, automated advertising, popular times to post an ad, and more.

## Microsoft Powerpoint Basics

PowerPoint is a program used for presenting or printing information in an aesthetically pleasing way. Learn how to create presentations, add animations and sounds, automatic control of timing, use built in content, create and store content, insert hyperlinks, create photobooks, and use advanced printing options. Previous computer experience is necessary

## Microsoft Excel Basics

Excel Basics is a session focused on those beginning to work with Excel or those with no experience in the use of spreadsheets. The session covers how to create and edit basic worksheets and workbooks. This introductory session is designed for students who want to gain the necessary skills to create, edit, format, and print basic Microsoft Excel 2016 worksheets.

## Microsoft Excel Level 1

Microsoft Excel is a spreadsheet program that allows you to produce tables of numbers and perform calculations on these tables. It also provides charting and database capabilities. This project-based session explains how to enter text, numbers and formulas into the spreadsheets. You will learn how to create graphs, and create and print out spreadsheets. Previous computer experience is necessary.

## Microsoft Excel Level 2

If you are already an Excel user who currently uses the program, but want to improve the appearance and functionality of spreadsheets and workbooks. Learn how to work with multiple worksheets, create formulas, search and find specific data, use advanced functions (Sumif, Countif, Averagif, etc.), advanced printing options, filtering lists, protecting data, and using templates. Pre-requisite Excel Level 1.

# Computers

## Social Media Demystified

In this session, we will be introducing you to the different social media platforms including Facebook, Instagram, Twitter, YouTube, LinkedIn, and Pinterest. We will explore the terminology (e.g. hashtags, clickbait, DMs, etc.). Once we've covered the basics, we will delve deeper to find out which platform(s) make the most sense for you? What are you waiting for? The future is here, it's time to find out what it's all about!

## Get to Know Your iPhone or iPad

Get to know how to use the stock applications and some of the best ones you can download for free.

- Multi-function of the home and power buttons
- Kill applications (to save battery)
- Search
- Folders, Drop Down Menu

- Folders, Drop Down Menu
- Change settings for apps
- Change background
- Set up email

# CERTIFICATION & SAFETY

## **Standard First Aid Level C with AED - 2 DAY CLASS**

Fee: \$150

This comprehensive first aid course will provide participants with fundamental skills and knowledge that will assist you in any emergency situation. Course includes adult CPR, choking, artificial respiration, bleeding and fractures. This course is a must for those working with children, students or the elderly. This is the certificate course that is required for employment purposes. AED training (defibrillator) included in course. Certificate awarded upon completion.

**Date:** Saturday & Sunday, November 9 & November 10, 2024

**Time:** 8:00 AM – 4:00 PM

**Instructor:** Wendy Wilton

**Location:** Drumheller Community Learning Society

## **Mental Health First Aid - Virtual**

“Mental Health First Aid is the help provided to a person developing a mental health problem, experiencing the worsening of an existing mental health problem or in a mental health crisis. Just like physical first aid is provided until medical treatment can be obtained, MHFA is given until appropriate support is found or until the crisis is resolved.” (Drawn from <https://www.mhfa.ca/en/bigpicture>)

**Check out this site for Mental Health First Aid information and access to virtual classes: [www.mhfa.ca](http://www.mhfa.ca)**

Presented by Mental Health Commission of Canada and Mental Health First Aid Canada

## **Heart & Stroke BLS Course**

Fee: \$ 95

Basic Life Support (BLS) is the foundation for saving lives. It is designed for healthcare providers and trained first responders who provide care to patients in a wide variety of settings or by those in a healthcare training program.

Features:

- Reflects science of the most recent Guidelines Update for CPR and ECC
- Hands-on class format reinforces skills proficiency
- Emphasis on high-quality CPR including team dynamics
- Video-based course with real world scenarios
- High-quality CPR for adults, children, and infants • Chain of Survival
- Use of an automated external defibrillator (AED) • Ventilations using a barrier device and bag-valve-mask
- Multi-rescuer resuscitation
- Team Dynamics
- Relief of foreign-body airway obstruction (choking) for adults, children, and infants

**Instructor:** Wendy Wilton.

*Call for more information.*

**For all course registrations and inquiries call 403-823-8300. Registration and/or cancellations must be completed 1 week before the class. Classes may be cancelled if minimum numbers aren't met, so register ASAP!**

# CERTIFICATION & SAFETY

## Canadian Firearms Safety Course

Fee: \$135/course

This course goes over the history of how firearms began, the different types of guns in each course, storage and transportation of each type of gun, safe handling, rules and regulations, legal aspects of owning a firearm. This course is a prerequisite in order to obtain your PAL (Possession and Acquisition License). Note: Individual testing will take place after written exam. Depending on class size, this could take several hours into the evening. Instructors will do their best to accommodate students' time requirements. The Non-Restricted course must be taken before the Restricted course.

*\*Please Note: registration must be done minimum of two weeks in advance in order that materials can be purchased by the instructor.*

**Instructor:** Larry Coney

**Location:** Drumheller Community Learning Society

**Non-Restricted:** Sat • October 19th, 2024  
• 8:00am - 5:00pm (1 class)

**Restricted:** Sun • October 20th, 2024  
• 8:00am - 5:00pm (1 class)

FOR ALL CLASS REGISTRATIONS CALL 403-823-8300!

## HOW TO MAKE & GLAZE SIMPLE CLAY PLATES OR PLATTERS \$125

Join an adult introductory class and learn how to build and texture shallow bowls, plates or platters using the slab method of handbuilding. Once pieces are made and fired, move on to learn basic glazing and mixing glazes. Participants may wish to bring an apron, and wear clothes that can get dirty.

**Dates:** Mondays - October 28th, November 4th, 17th, 24th & December 2nd

**Time:** 6:30-8:30

**Instructor:** Mona Saltys-De Jong

*All supplies included.*

## KID'S BIRD OR OWL MOSAIC (AGES 9-12) \$60

Come & create a brilliant bird or star ready to hang on the wall. The class involves designing & arranging colour and patterns, while always keeping the big picture in mind. There will be many bird & star shapes to pick from and array of dazzling dishes and tiles to mosaic with. This is a great opportunity for children to create a work of art in a fun and creative atmosphere.

**Dates:** Tuesdays October 15th & 22nd

**Time:** 6:30-8:30pm

**Instructor:** Yvonne Markotic

*All supplies included.*

## CHRISTMAS CANDY DISHES (AGES 9-12) \$60

Make a personalized jewellery dish, candy bowl and more, to give as a special present for Christmas. Roll out some porcelain clay and personalize each gift you make, then come back the following week to glaze with beautiful colours. Whether it's gifts for mom, dad, grandma, or your best friend, they will be touched and dazzled by your creations.

**Dates:** November 7th & 14th

**Time:** Thursdays, 6:30-8:30 pm

**Instructor:** Ramona Timar & Yvonne Markotic

*All supplies included.*

## MEMORIES TO LAST (AGES 9-12) \$80

The children will make their own personalized ceramic Christmas tree ornaments by impressing decorative designs into porcelain clay and cutting them out in Christmas themed shapes. Then they will glaze their pieces with beautiful colours and the ornaments will be fired in the kiln and ready to give as gifts or hang on the tree. Date and the person they are making the decoration for can be added, all made with love for...

**Dates:** November 19th, 26th & December 3th

**Time:** Tuesdays, 6:30-8:30 pm

**Instructor:** Ramona Timar & Yvonne Markotic

*All supplies included.*

All classes are first come first serve, so register quick before spots fill up! 403-823-8300!
