## ALL THE INFORMATION!

### PUPPY CLASSES

With puppy classes, we focus on socialising with other pups/people, loose lead, recall, neutrality to dogs and people, basic obedience and life skills/manners, as well as working around distractions. How to motivate our puppies and building a bond. Each week we work with a variety of techniques that can help with your dogs' obedience and bond.

### OBEDIENCE BEGINNERS

This course is designed for owners who want to build a strong foundation in training. You'll learn essential commands, skills, and how to communicate effectively with your pet. We will teach our dogs to listen to commands first time, threshold training, recall, heelwork and much more. Join us to create a happy and well-mannered companion and family pet!

### INTERMEDIATE CLASS

Take your dog's training to the next level with our Intermediate Obedience Class! This course focuses on refining skills learned in the beginner class while introducing more advanced commands and techniques. Strengthen your bond with your dog through fun exercises and challenges that promote good behavior and responsiveness

### OBEDIENCE ADVANCE

Join our Advanced Obedience Class for a rewarding experience that challenges both you and your dog! This course is perfect for those looking to perfect their dog's skills and tackle complex commands. Engage in exciting activities that enhance focus, quickness to commands, and teamwork, ensuring your dog excels in any and every situation.

I have years of experience working with dogs of all breeds and ages. I am passionate about helping dogs reach their full potential and work tirelessly to ensure that every dog receives the best possible care and attention

I take pride in the positive feedback I receive from my clients. My training programs have helped countless dogs and their owners achieve a happier and more harmonious relationship. Read my reviews to see what my clients have to say about me!
