To make working and learning environments more aesthetically pleasing and modern.

4SYT Industries is a facility maintenance and Real Estate Company. We provide Facility Maintenance and Real Estate Services to federal, local and corporate departments. These federal, local and Fortune 500 corporate agencies have a regulatory spending goal to improve internal facilities or to provide services to the public. We are the bridge to the gap between Facility Services and the Government. With over a decade of federal experience coupled with years of Real Estate expertise, we add a unique perspective to both we serve; with superb customer service, industry expertise and desire to deliver high-quality capabilities.

- Construction Clean up

KEY DIFFERENTIATORS

4SYT Industries strives to bridge the gap between real estate and facility maintenance to government, local and corporate entities. Our goal is to provide superior value in three ways: **1. Understanding our clients' wants and predicting their needs; 2. Bringing craftsmanship and aesthetic pride back to the workplace; 3. Providing Disney-Like customer service at ALL times.**

With over a decade of government experience, 4SYT Industries offers a unique perspective to those we serve through the delivery of the highest industry performance rates and completion milestones.

PAST PERFORMANCE

Examples of Performance Standards

-**Reliability**, Response times, delivery times, timeliness – meeting -deadlines or due dates, adherence to schedule.
 -Less than 2% error rates - 99% percent accuracy rate - giving 1% to last minute adjustments
 -Completion milestone rates – 100% complete at a given date.
 -Our staff is adept at managing all aspects of Asset Management required services.
