To our potential sponsors:

Thank you so much for your consideration in supporting Clackamas High School Cheer this 2025-2026 season! Our team is fundraising for the upcoming season, and community support is so important to our cause. Cheerleading can be a costly sport, with expenses including uniforms, competition fees, camps, tumbling, and choreography. Your sponsorship directly supports these areas and may also fund scholarships for athletes in financial need. We are asking you, local businesses and personal sponsors, to help us out! We are looking for any form of monetary donations to help pay for individual expenses, competition fees, choreography, and program scholarships.

Please visit our website at www.CavalierCheer.com or email Cenicerost@nclack.k12.or.us for more information!

Thank you for your support!
