SPONSORSHIP

CLACKAMAS HIGH
SCHOOL
CHEERLEADING

CavalierCheer.com

Thank you so much for your consideration in supporting Clackamas High School Cheer this 2023-2024 season! Our team is fundraising for the upcoming season, and community support is so important to our cause. Cheerleading can be very expensive, and much of the costs land on the families of these cheerleaders. We are asking you, local businesses and personal sponsors, to help us out! We are looking for any form of monetary donations to help pay for individual expenses, competition fees, choreography, and program scholarships.

Additionally, 10% of all banner sponsorships will go to Clackamas High School Athletics to help fund future weight room improvements and a new virtual Hall of Fame!

Please visit our website at www.CavalierCheer.com to donate and for more information!

Thank you for your support!
