This month, we'll be celebrating St. Patrick's Day and exploring the wonders of springtime through a variety of engaging activities designed for all age groups, from infants and toddlers to preschoolers.

🍀 **St. Patrick's Day Fun:** We're bringing a little luck and magic to the centers with exciting St. Patrick's Day-themed activities:

- **Shamrock Art & Crafts** where children will create fun and colourful shamrock designs.
- **Scavenger Hunts and Gold Coin Treasure Hunts** to spark curiosity and adventure.
- **Pot of Gold Name Crafts** to help children practice letters while making a personalized pot of gold.
- **Clover Suncatchers** to brighten up our windows and celebrate the season.

🌸 **Welcoming Spring:** As the seasons change, we'll dive into the wonders of spring with activities that encourage curiosity and creativity:

- **Outdoor park adventures** to observe blooming flowers and chirping birds.
- **Spring Sensory Bottles** filled with flowers, beads, and colours that capture the beauty of the season.
- **Butterfly Arts & Crafts and Flower Handprints** to celebrate growth and change.
- **Planting Seeds and Decorating Flower Pots** — a fun way for the children to watch nature grow, right from their classrooms!

These activities will be adapted for all age groups, ensuring that **both infants & toddlers and preschoolers** can explore, create, and enjoy March to the fullest.
