FEBRUARY

Simply Fun Childcare Centers

Dear Simply Fun Parents,

As we welcome February, we're excited to share all the wonderful activities planned for this month. From celebrating love and family to continuing our winter explorations, February promises to be a month of joy and learning for your little ones.

1. **Valentine's Day Activities:** We'll celebrate Valentine's Day with fun and creative activities for all age groups:
 - **Infants & Toddlers:** Sensory bins filled with hearts, soft textures, and festive colours to explore, along with simple heart paintings.
 - **Preschoolers:** Greeting card art and crafts, creating special treat bags, and engaging in heart hunts to celebrate the holiday with friends.
2. **Family Day Celebrations:** Family Day is a perfect time to honour the love and connection within families. The children will enjoy:
 - **Infants & Toddlers:** Family song time and simple bracelet-making to bring home as a special keepsake.
 - **Preschoolers:** Card crafts to share with their families and a "show and tell" activity where they can talk about their favourite family traditions or members.
3. **Winter Explorations:** The children will continue to embrace the season with exciting winter-themed activities, including:
 - Outdoor adventures to the park to observe nature in winter.
 - Making "fake snow" for sensory exploration and pretend play.
 - Winter story-time featuring seasonal tales.
 - Snow sensory bins to engage the senses and spark curiosity.

We are thrilled to share these meaningful and enriching experiences with your children.

Thank you for your ongoing support, and we look forward to a fantastic month together!
