Simply Fun Childcare Centers

Dear Simply Fun Families,

Happy New Year! We're excited to start 2025 with a month full of engaging and creative activities across all our centers. January's theme is **Winter Wonderland**, and we have a variety of fun learning opportunities planned for your little ones.

Highlights of January Activities:

- **Sensory Play:** The children will explore **winter sensory bins** and **snow sensory bins**, fostering curiosity through touch and imagination.
- **Creative Crafts:** We'll create beautiful **snowman art**, **winter mittens and hats**, and **snowflake suncatchers** to bring the magic of winter indoors.
- **Color Mixing Fun:** Using paints and other materials, the children will discover the science of colors by mixing hues to make new shades.
- **All About Hibernation:** We'll learn about animals that hibernate during winter, helping children connect with nature and seasonal changes.
- **Special Days:**
 - ✓ **Snow Cookies:** A fun baking and decorating activity to create delicious winter-themed treats.
 - ✓ **Hot Cocoa Day:** A cozy day to enjoy warm cocoa and learn about this delightful winter drink.
 - ✓ **Pajama Day:** A favorite for all! Children can wear their comfy PJs to school for a day of relaxation and fun.

We can't wait to share these wonderful experiences with your children as we embrace the season's beauty and joy. Thank you for being part of the Simply Fun Centers family, and let's make January a month to remember!

Warm
Simply Fun Team

regards,
