

Overwintering Cover Crop \$10 Interseeding Bonus

H2Ohio is offering a new incentive - \$10 per acre to plant overwintering cover crops into standing corn or soybeans.

What to Know:

- ✓ Producers must be enrolled in the H2Ohio Overwintering Cover Crop practice. Deadline to sign up is August 1, 2022.
- ✓ Interseeding should be completed by September 30, 2022.
- ✓ Items to be provided by producers for verification: field maps, bills, receipts, and invoices that show seeding date, and seed tags or seed tests, including %purity, %germ, %weed seed, Ohio noxious weed content.
- ✓ Participating producers will follow the H2Ohio Best Management Practice Standards and Guidelines for Overwintering Cover Crops, including all Nutrient Application Standards and Guidelines.
