Job Description for UAS Pilot Instructor
Go to vekte.net to apply online (careers@vekte.net)
Questions? email information@vekte.net

Position Description:

The position of UAS Pilot Instructor, it is a unique opportunity for drone pilots interested in being an instructor. Over the course of Vekter's five-week summer program, instructors work directly with high school students. Instructors will lead the teaching of core aviation and STEM classes. They are responsible for leading and assisting in afternoon activities, monitor lunch periods, and write student evaluations at the end of the summer. Instructors help to ensure that Vekter's Core values of Civics, Opportunity, Respect and High Expectations are brought to life for our students, their families and all community partners. This is a six-week position; one week of training and five weeks with the high school students.

Duties and Responsibilities

- Prepares lesson plans related to established curriculum based on Part 107 license.
- Delivers hands-on flight training to program participants.

Qualifications:

Required Qualifications

- Minimum of four years UAS operations experience and knowledge of FAA regulations.
- Demonstrate strong interpersonal skills, proficiency in Word Processing and PowerPoint Presentation software, as well as Internet and Email basic skills.
- Instructor experience in which student(s) have passed the Part 107 test.

Preferred Qualifications

- Associate/Bachelor's degree in Aviation, Teaching or related fields.

Compensation, Dates and Hours

- Instructor will receive weekly pay based on experience.
- Instructor positions are full time over the program six weeks.
- Instructor are expected to work during the program hours of 7:45 to 4:30, plus during faculty meetings and special events.

Special Note:

Special Instructions to Applicants: Attach a cover letter and/or resume to an email addressed to careers@vekte.net. It is recommended that you have names and contact information of people you have trained ready to be attached electronically.
