PRESSING & SERVICES AGREEMENT

COMIC, MAGAZINE, MANGA PUBLICATIONS PRESSING AND SERVICES AGREEMENT

This Publication Cleaning and Pressing and Services Agreement ("Agreement") is entered into by and between Ricketts Comic Pressing, LLC ("Company") and the undersigned customer ("Client") as of the date signed below.

1. Description of Services

The Company provides specialized historical conservation, cleaning, humidification, pressing, and restoration services for Publications (the "Services"). The Client is submitting the publication(s) itemized in the attached Intake Ledger (the "Property") for the purpose of receiving these Services.

2. Bailment and Agreed-Value Provision

The Client acknowledges that the Company is taking temporary physical custody of the Property as a bailee for the sole purpose of performing the Services. Prior to handing over or shipping the Property, the Client must declare a specific replacement value for each individual publication, as itemized in the Intake Ledger (the "Agreed Value").

The Client agrees that the declared Agreed Value shall represent the absolute maximum replacement cost of the Property. Under no circumstances shall the declared Agreed Value for any single issue exceed thirty thousand US dollars (\$30,000.00). In the event of a total loss, theft, or catastrophic destruction of the Property while in the active physical custody of the Company, the Company's liability to the Client shall be strictly limited to the stated Agreed Value or the current fair market value at the time of loss, whichever is lesser.

3. Inherent Vice and Pre-Existing Condition Waiver

The Client explicitly acknowledges that the Property submitted for Services is already physically compromised, fragile, aged, or structurally deteriorating. The Client requests the Services with the full understanding that the processes of humidification and machine-pressing subject the paper, cardboard, gloss coating, or chromium stock of the publication to structural stress.

The Client agrees that the Company is not liable for structural failures, flaws, or aesthetic degradations that manifest as a natural result of attempting to treat pre-existing defects. These non-liable occurrences include, but are not limited to: paper flaking, surface bubbling, layer separation, color bleeding, localized paper thinning, fracturing of gloss, or the expansion of pre-existing creases. The Client hereby waives any claims for damages arising from such unavoidable physical outcomes of the requested process.

4. Limitation of Liability for Third-Party Transit

The Company is not a shipping carrier, courier, or insurer of transit. The Client is entirely responsible for safely packaging and shipping the Property to the Company's facility.

For return transit, the Company will utilize third-party commercial carriers (e.g., USPS, FedEx, UPS) and will purchase shipping insurance matching the aggregate Agreed Value at the Client's expense. The Client agrees that the Company shall not be held liable or legally responsible for any loss, theft, interception, damage, or delivery delay caused by a third-party shipping courier while the Property is in transit to or from the Company's facility. In the event of a transit loss, the Client's sole financial recourse shall be to file a claim through the respective shipping carrier's insurance policy, and the Client explicitly waives the right to seek damages from the Company or its individual members for carrier failures.

5. Third-Party Grading Outcome Disclaimer

The Client acknowledges that third-party grading companies—including but not limited to Professional Sports Authenticator (PSA), Beckett Grading Services (BGS), Certified Collectibles Group (CGC, CCG, PMG, etc.), and Sportscard Guaranty Corporation (SGC)—operate under highly subjective, proprietary evaluation criteria.

The Company makes absolutely no guarantees, warranties, or representations regarding the specific numerical grade, sub-grades, or authentication status that the Property will receive after the Services are completed. The Company does not guarantee that the publication will pass altered/unaltered authentication sweeps by third-party graders. The Client agrees that the Company is not liable for "lost potential profits," diminishing market value, or grading fees if the treated Property receives a lower-than-expected score, an "altered", "restored", or "conserved" designation, or is rejected by an external grading provider.

6. Governing Law and Dispute Resolution

This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, without regard to its conflict of law principles. Any legal action, suit, or proceeding arising out of or relating to this Agreement must be instituted exclusively in the state or federal courts located in Collin County, TX.
