Lansdale School of Cosmetology Emergency/Evacuation Procedures

- All emergencies are reported to Mrs. Voltz, in her absence Mrs. Bergey

In case of emergency, the students are instructed to evacuate in the following manner:

1. Emergency alarm sounds
2. Instructor will direct all students to either front or rear exits
3. Students must line up single file and walk, **not** run to stairway and doorways which will lead them out of the building.
4. The elevator **should not** be used in any case of emergency.
5. Students may not re-enter the building until the instructor has received an "all clear" message and advises the students the same. All exits are clearly marked with exit signs. Automatic emergency lighting system takes over if electricity loss occurs.

This report was compiled and prepared by Mrs. Voltz, the School Administrator.
