LOTS OF WAYS TO TAKE CLASSES
ALL JULY LONG!

LDG Summer Dance Options

Over the summer we have multiple, flexible ways to take classes. The following pages will give all the options for each of these along with age requirements and costs.

- **4 Week Classes** - These classes meet once a week for an hour through the month of July.
- **Camps**- Camps meet multiple days in a row in one week. These are great for families who may be traveling or have other activities throughout the summer but still want to fit in a dance class!
- **Workshops** - These are one hit, one time classes to work on a certain skill or project.
- **Master Classes** - One time intensive courses with guest faculty who are working in the industry and are stopping in to help our students with certain genres/styles/skills. Great way to expose dancers to new teachers, choreographers and grow in their skills and technique.
