32+	17	19

ADDITIONAL INFORMATION

Revolution's Expanded Quantity Charts are designed for use alongside the IASF comparative scoring system. They extend the published IASF team-size ranges to accommodate the smaller and larger teams offered under the SportCheer UK Age Grid. Tosses are not allowed in Prep divisions, therefore Toss quantities do not apply to Prep divisions. These are adaptations for use at Revolution Events to fit the UK cheerleading community and are not official IASF documents.
