

Mironova Classical Ballet Academy Student Agreement

5205 Kearny Villa Way San Diego CA 92123

E-Mail: mironovaclassical@gmail.com Tel:(619)718-2150

General:

- Learning ballet requires commitment and dedication. In order to improve and practice safely, students must attend class consistently.
- Studying at a proper level is essential to ensure progress. Promotion is based on the acquisition of skills, not by age. Level assignment decisions must be respected.
- Students should not attend class when ill, and return only when symptoms have subsided in order to prevent the spread of germs to other students and teachers.
- Ballet is a physical activity that involves a risk of injury. We take every measure to protect our students from injuries. Mironova Classical Ballet Academy (MCBA) shall not be held liable for any injuries occurred during class or rehearsal.
- MCBA reserves a right to use photos of your child taken in class, rehearsals and the performances for promotion materials unless specifically requested by parents.
- Parents are not allowed in the classroom. Taking photos and videos during class, rehearsals and performances are prohibited.

Tuition:

- Tuition is non-refundable. Payment is due on the first calendar day of the semester or the month. We charge \$25 for late payment after the 10th calendar day of the due date, and \$30 for a returned check.
- The tuition does not include the semi-annual performance fees, which range from \$300 to \$450 depending on the level and roles. It includes theater rental, theater staff, costumes, and rehearsal time outside of normal class. This fee is subject to change and must be paid separately upon registration to participate in the performance.
- There is no credit for school closure dates specified in the annual calendar or missed classes due to personal reasons (vacations, illness, short-term injuries, lack of transportation, etc.)
- Students are allowed to make up for missed classes during the same month, at their current or lower level. Approval is needed to attend higher level classes.
- We do not prorate monthly tuition for missed classes. The prorated tuition applies for the new student starting mid-month.
- MCBA offers 2 payment options; monthly payment and 5 month advance payment with 10% discount. The advance payment option is available only at the beginning of each semester and the student must commit to a program for the semester. New students starting mid-semester must pay monthly.
- The 5% family discount is available for siblings. This discount is applicable to the monthly tuition only. It is not applicable to the \$40 annual registration fee and the performance fees.
- Changing a program mid-semester is not allowed unless it's approved or recommended by the director.
- MCBA accepts Zelle, check and cash. Please note the student name, level, and month of the tuition, the amount on the envelope if paying cash, for all payments.

- Itemized receipts are available upon request. We issue one receipt per payment or for the entire year. We do not customize the descriptions on the receipts.

Student code of conduct:

- Students must be respectful to teachers and fellow students at all times.
- Insults, swearing, fighting, etc. will not be tolerated. Repeated disruptive behavior will be grounds for dismissal from class or expulsion from the school.
- Students are required to wear uniform specified by level, and wear a neat bun. No baggy clothes and loose hair are permitted in class.
- Our dress code also includes no visible underwear out of the leotard, no dirty tights, and no holes in shoes and tights. Students are expected to keep themselves clean and tidy.
- Students should take good care of the property, and not enter the area of the building where it is not permitted.

I have read and will adhere to the Mironova Classical Ballet Academy policies above.
