Got leaves 'n stuff?

Oak Crossing is not within city limits. Consequently, there is **no** government arranged **leaf pick up service**. Residents are responsible for leaf collection and disposal. Please do not place leaf piles in the street. This is a safety concern (for people and items hidden in the pile) and causes street drains and systems to malfunction. Please do not dispose of yard waste in common areas, as this prevents proper maintenance and also finds its way into the street drainage system. Your cooperation is greatly appreciated.

Oak Crossing Association Annual Meeting:

Very special thanks...

Thank you to the Bloom family for adorning our neighborhood with U.S. flags several times during the year.

Thank you for your thoughtfulness, generosity, and spirit of community and country.

Odds & Ends:

For information on **leaf burning**, please **call 449-7561** for the **Health Dept** or **449-3000** for the **Sheriff**. If you must burn, please be considerate of others. For many, smoke is not only an irritant, but also a health concern. Current guidelines dictate no burning before 8:00 am and nothing added after 5:30 pm.

Street snow removal will occur on snow accumulations of 2" or greater. **Please do not park on the street when any snowfall is expected.**

The postal service reminds us to please keep a clear path to mail box stations for our mail carrier. When **boxes are blocked** by excessive snow, **mail will not be delivered** to that mail box station.

We welcome your involvement in the management and care of the neighborhood. Please contact any board member or email us to learn how you can participate. Thank you.
