Donating

As of now, feeding this little colony costs around $40+ per week.

We're currently taking donations to purchase traps as well as cat carriers.

We are not a 501c. We're two friends looking to help our local cat colony to stay fed, get fixed, and hopefully adopted.

As of now, 10 cats and kittens in this colony have been fixed. Several are currently being fostered or have been adopted.

If you are interested in helping us out, please donate to the following:

CashApp: $SketchyCatRescue

Registered (aka non-sketchy) Cat Rescues

Please consider donating to the folllowing organizations. Even though it's not going to us directly, your donation goes towards helping all stray cats in the South Florida Area

1) Wonder Paws Rescue
WonderPawsRescue.com

(While we are not affiliated with Wonder Paws Rescue, they have been incredibly helpful in assisting us with scooping up the kittens and getting them into foster homes and adopted)

2) Purrr | For the Love of Cats
Purrr.org
