Notice:

If you are bringing cats or kittens to this area, we encourage you to please first reach out to Wonder Paws Rescue, Abandoned Pet Rescue, or Purrr. Purrr (Oakland Park, FL) will spay or neuter them for free. They just need to be brought to the clinic in an individual hard case carrier. They will need to be kept in a home overnight as well to recover. The more days the better. But if you can spare your bathroom for a night, that would be incredibly helpful.

If you are not able to do this, please text us and give us a heads up (954-787-8631). This allows us to plan for bringing more food and attempt to transfer them without having to recapture them.

Thank you
