INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Riverwalk Homeowners Association, Inc.
Jupiter, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of Riverwalk Homeowners Association, Inc., which comprise the Balance Sheet as of December 31, 2018, and the related Statement of Revenues, Expenses and Changes in Fund Balance, and Cash Flows for the year then ended, and the related Notes to the Financial Statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Riverwalk Homeowners Association, Inc. as of December 31, 2018, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information contained in Schedule of Operating Expenses, is presented for purposes of additional analysis, and is not a required part of the financial statements. Such information is the responsibility of the Association's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Disclaimer of Opinion on Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Supplementary Information on Future Major Repairs and Replacements be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Financial Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Riverwalk Homeowners Association, Inc.

Notes to Financial Statements

December 31, 2018

NOTE A – NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Organization – Riverwalk Homeowners Association, Inc. (Association) is a statutory homeowners association incorporated as a not-for-profit corporation in the State of Florida on October 1984. The Association is responsible for the operation and maintenance of the common areas of the community located in Jupiter, Florida and consists of 340 owners.
2. Fund Accounting - The Association uses fund accounting which requires that funds such as the operating fund and the fund designated for future major repairs and replacements, be classified separately for accounting and reporting purposes. Disbursements from the operating fund are generally at the discretion of the Board of Directors and property manager. Disbursements from the replacement fund may be made only for their designated purposes.
3. Use of Estimates in the Preparation of Financial Statement – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
4. Member Assessments – Member assessments are billed quarterly based upon their proportionate share of ownership and recognized as revenue on a pro rata basis over the period covered by the billing. Member assessments are based upon estimates of amounts necessary to provide funds for the Association's operating expenses and future major repairs and replacements. Assessments receivable from members are reported at the outstanding balance due from the members. It is the Association's policy to retain legal counsel and place liens on the units of members whose assessments are delinquent. Any excess assessments at year end are retained by the Association for reduction of member assessments in future years. As of December 31, 2018, an allowance for doubtful accounts has been established in the amount of \$42,054.
5. Interest Income – The Board of Directors' policy is to allocate to the operating and replacement funds all interest earned on their respective cash accounts.
6. Income Taxes – In 2018, the Association plans to elect to file as a homeowners' association in accordance with Internal Revenue Service Code section 528. Under this section, the Association excludes from taxation exempt function income, which generally consists of revenue from assessments to owners. The Association's investment income and other nonexempt income are subject to tax at a rate of 30%, net of any applicable expenses.
7. Concentration of Credit Risk – Financial instruments which potentially subject the Association to concentrations of credit risk are primarily cash and cash equivalents and assessments receivable. The Association deposits its excess cash and cash equivalents with one major financial institution and the carrying value approximates market value. As of December 31, 2018, the Association had \$477,768 in excess cash over the \$250,000 FDIC coverage limit. The Association has not experienced losses related to these deposits. The Association believes it is not exposed to any significant credit risk on cash and cash equivalents and member assessments receivable.
8. Recognition of Assets - The Association capitalizes all property and equipment to which it holds title or has other evidence of ownership. Real property and common areas acquired from the developer and related improvements to such property are not recorded in the Association's financial statements because those properties are owned by the individual unit owners in common and not by the Association. Property and equipment are depreciated over the estimated useful lives of the assets using the straight-line method.

Riverwalk Homeowners Association, Inc.

Notes to Financial Statements

NOTE A – NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

9. Cash and Cash Equivalents - For purposes of the December 31, 2018 balance sheet and statement of cash flows for the year then ended, the Association considers all highly liquid investments purchased with original maturities of three months or less to be cash equivalents.
10. Fair Value of Financial Instruments - The carrying amounts of cash, receivables, and payables approximate their fair values due to their short-term maturities.
11. Comprehensive Income - ASC 220 (formerly SFAS No. 130) requires “a full set of general-purpose financial statements to be expanded to include the reporting of comprehensive income.” Comprehensive income is comprised of two components, net income and other comprehensive income. For the year ended December 31, 2018, there were no items that qualify as comprehensive income.
12. Revenue Recognition – Regular assessments to members are recognized as revenue during the period for which they are assessed. Assessments received in advance of this period are reported as prepaid assessments on the balance sheet.

NOTE B – REPLACEMENT FUND

The Association's governing documents and Florida statutes do not require that funds be accumulated for major repairs and replacements, except for the boat dock. Although not required, the Association has established statutory reserves from the developer or through a vote of the membership and these funds are subject to the restrictions on use of such funds set forth in section 720.303(6) Florida Statutes.

In 2018, when preparing the 2019 budget, the Board of Directors estimated the remaining useful lives and the replacement costs of the components of common property. The table included in the unaudited supplementary information on Future Major Repairs and Replacements is based on these estimates.

The Association is funding for major repairs and replacements over the remaining useful lives of the components based on the estimates of current replacement costs and considering amounts previously accumulated in the replacement fund. Accordingly, the funding requirement of \$218,000 has been included in the 2019 budget.

Funds are being accumulated in the replacement fund based on estimates of future needs for repairs and replacements of common property components. Actual expenditures may vary from the estimated future expenditures, and the variations may be material. Therefore, amounts accumulated in the replacement fund may not be adequate to meet all future needs for major repairs and replacements. If additional funds are needed, the Association has the right to increase regular assessments, pass special assessments, or delay major repairs and replacements until funds are available.

NOTE C – WINDSTORM INSURANCE

The insurance policy for windstorm coverage renewed May 9, 2018. The deductible amount for named hurricane storms is estimated at \$8,241 which represents 5% of the insured value of the common area building, which is estimated to be \$164,825.

NOTE D – DATE OF MANAGEMENT'S REVIEW

In preparing the financial statements, the Association has evaluated events and transactions for potential recognition or disclosure through April 30, 2019, the date that the financial statements were available to be issued.

NOTE E – CREDIT CARDS

The Association maintains several credit cards accounts active for repair and maintenance projects. All cash back earned is deposited into the operating bank account or used for Association purchases. The credit cards active at December 31, 2018 consisted of:

Provider	Credit Limit	12/31/2018 Balance

NOTE F – UNCERTAINTIES FOR INCOME TAXES

Under federal and state income tax laws, an entity's income tax returns are subject to examination by the applicable taxing authorities. The Association has no income tax returns under examination by the Internal Revenue Service. However, the Association's Federal Income tax returns for 2016, 2017 and 2018 are subject to examination, generally for three years after they are filed.

NOTE G – PROPERTY AND EQUIPMENT

Property and equipment consisted of the following at December 31, 2018:

		<u>Useful Life</u>
