

Victoria Village Hall Wi-Fi Usage Policy

Website: www.victoriavillagehall.com

1. Introduction

Victoria Village Hall provides free access to a wireless internet connection ("Wi-Fi") for the benefit of our hall users. By connecting to and using this service, you agree to comply with the terms outlined in this policy.

2. Acceptable Use

The Wi-Fi must be used responsibly, legally, and in accordance with this policy. You agree not to use the network for any purpose that:

- Violates any local, national, or international law or regulation
- Is unlawful, harmful, or fraudulent
- Involves the transmission of offensive, abusive, defamatory, obscene, or otherwise objectionable material
- Attempts to gain unauthorised access to any other system, data, or account
- Infringes on copyright, trademark, or other proprietary rights
- Interferes with the performance or availability of the Wi-Fi network

3. Network Access & Security

- Access to the Wi-Fi may be password-protected. Passwords must not be shared with third parties.
- Users are responsible for ensuring their own device security, including antivirus protection.
- We cannot guarantee that the network is free from viruses, spyware, or other harmful components. Use at your own risk.

4. Monitoring and Fair Usage

- We reserve the right to monitor usage to ensure fair access for all users.
- Heavy or inappropriate use may result in reduced speeds or temporary restrictions.
- Any users found violating this policy may have their access terminated without notice.

5. Liability and Disclaimer

- Victoria Village Hall and its trustees accept no responsibility for any loss or damage arising from use of the Wi-Fi network, including data loss or system damage.
- Availability of the Wi-Fi is not guaranteed. The service may be interrupted, suspended, or withdrawn without notice for maintenance or other reasons.

6. Data Protection

- We do not collect personal data through the Wi-Fi system. However, basic connection logs (e.g., device ID, connection times) may be recorded for security purposes.
- For more information on how we handle data, please refer to our Privacy Policy at www.victoriavillagehall.com/privacy-policy.
