ABOUT **EDUX** **TRAINING** **CENTER**

EduX Training Center stands as a beacon of educational excellence in the heart of Cebu City, Philippines, a bustling metropolis known for its dynamic energy and cultural diversity. As a premier educational institution, we are dedicated to shaping the future of our students by offering a wide array of comprehensive training programs meticulously crafted to meet the demands of today's competitive landscape.

At EduX, we pride ourselves on our commitment to providing transformative educational experiences that transcend traditional boundaries. Our programs are designed to equip students with the diverse skills and knowledge necessary to thrive in a rapidly evolving global environment. Whether it's mastering the intricacies of healthcare, honing language proficiency, sharpening English language skills, or advancing in professional development, our tailored curriculum empowers students to excel in their chosen fields.

Central to our success is our team of esteemed instructors, each a seasoned expert in their respective fields. With a wealth of experience and a passion for education, our instructors bring a unique blend of academic rigor and real-world insights to the classroom. Through innovative teaching methodologies and personalized attention, they guide our students on a transformative journey of learning and growth. In addition to our exceptional faculty, we offer a hybrid learning experience that combines the best of both traditional classroom instruction and cutting-edge digital technologies.

At EduX Training Center, we believe that education is the key to unlocking limitless opportunities and realizing one's full potential. Our commitment to excellence, innovation, and student success drives everything we do. As our students embark on their educational journey with us, they do so with the confidence that they are not just acquiring knowledge, but laying the foundation for a future filled with boundless possibilities.

VISION & MISSION

OUR VISION

To be the leading provider of transformative educational experiences that empower individuals to succeed in a rapidly evolving global landscape.

VISION

OUR MISSION

To provide high-quality training programs that prepare students for success in their chosen fields, foster a culture of continuous learning and growth, and contribute to the development of skilled professionals who make a positive impact in their communities and beyond.

OUR CORE VALUES

1

EXCELLENCE

We strive for excellence in everything we do, setting high standards for academic rigor, instructional quality, and student support.

2

COMPASSION

We approach education with empathy, understanding, and a commitment to supporting the holistic development of our students.

3

INTEGRITY

We uphold the highest standards of ethics, honesty, and professionalism in all aspects of our operations and interactions.

4

RESPECT

We foster inclusivity and celebrate diversity. Our care are respectful of the diverse knowledge, values, beliefs & cultures of our clients.

5

COLLABORATION

We foster a collaborative and inclusive learning environment, where students, instructors, and staff work together to achieve common goals and share in each other's success.

A photograph of nursing students in a classroom. A female student in the foreground is smiling and gesturing with her hands while talking to a male student. They are both wearing blue scrubs. Other students are visible in the background, also in scrubs, sitting at tables. The setting appears to be a modern, well-lit classroom or study area with large windows.

NCLEX REVIEW

At EduX Training Center, we understand that success on the **National Council Licensure Examination (NCLEX)** is a crucial milestone for nursing graduates pursuing licensure in the United States and beyond. Our NCLEX Preparatory Review stands as a comprehensive and intensive program designed to equip nursing graduates with the knowledge, skills, and confidence needed to excel on this pivotal exam.

Program Highlights:

- Comprehensive Content Review
- Rigorous Practice Sessions
- Expert Guidance and Support
- Holistic Approach to Preparation
- Continuous Improvement

A healthcare professional, likely a nurse or doctor, is shown from the chest up. They are wearing blue surgical scrubs, a blue surgical cap, and a light blue surgical mask. They are looking directly at the camera with a neutral expression. The background is a plain, light-colored wall.

OSCE REVIEW

Preparing adequately for the **Objective Structured Clinical Examination (OSCE)** is an essential milestone for healthcare professionals aiming for licensure or certification worldwide. At EduX Training Center, our OSCE Preparatory Review provides a comprehensive and customized program meticulously crafted to furnish candidates with the skills, expertise, and assurance required to succeed in this demanding evaluation.

Program Highlights:

- Comprehensive Clinical Skills Training
- Simulated OSCE Scenarios
- Expert Guidance and Support
- Holistic Approach to Preparation
- Continuous Improvement

Delivery:

- 8 weeks online
- 2 weeks onshore (bootcamp in Australia)

INTERNATIONAL CAREGIVING COURSE

The **Certificate III in Individual Support (Ageing)** is an esteemed vocational certification acknowledged internationally. Tailored specifically for individuals aspiring to embark on a career within the aged care sector, this comprehensive program delivered by EduX Training Center aims to furnish participants with an extensive array of essential skills and knowledge vital for excelling in this specialized field.

Program Highlights:

- Practical Skills Development
- Industry-Relevant Curriculum
- Supportive Learning Environment
- Job Readiness Preparation

Student Advantages:

- Internationally Recognised Qualification
- Global Demand for Aged Care Workers
- Pathways to Immigration

- Health & Wellness

GLOBAL PATHWAYS

At EduX, we offer a wide range of courses designed to equip individuals with the skills and qualifications needed to thrive in today's competitive global landscape. Our programs are carefully crafted to bridge the gap between education and international career pathways, opening doors to exciting opportunities around the world.

International Network of Educational Institutions

At EduX Training Center, we have established a robust international network comprising prestigious educational institutions in Australia. These partnerships enable us to offer globally recognized courses and certifications that align with international standards and industry requirements. Through collaborations with top-tier universities, colleges, and vocational training providers in Australia, we provide our students with access to world-class education and training opportunities.

Partnerships with Migration Agencies

EduX Training Center is proud to partner with reputable migration agencies specializing in processing visa applications for individuals seeking to study, work, or migrate to other countries. These strategic partnerships provide our students with invaluable support and guidance throughout the visa application process, ensuring a smooth and hassle-free transition to their destination country. Our trusted migration partners offer expert advice, assistance with documentation, and personalized support tailored to each student's unique circumstances.

Recognition Prior Learning (RPL)

Through our Recognition of Prior Learning (RPL) process, we assess and acknowledge the knowledge, skills, and competencies that individuals have acquired through formal education, work experience, or other relevant activities and provide individuals with the opportunity to fast-track their educational journey, reduce duplication of learning, and achieve formal recognition for their existing skills and qualifications.

EXECUTIVE LEADERSHIP

Prince Lopez — Chief Executive Officer

Prince brings a unique blend of technical and business acumen to his role as CEO. A licensed mechanical engineer in the Philippines and a qualified accountant in Australia, Prince has built a distinguished career in Australian Migration services and vocational education. With years of experience in Registered Training Organisation (RTO) consulting, he specializes in ensuring compliance and spearheading business development strategies. His leadership at Edux Training Center reflects his passion for maintaining high educational standards while supporting the growth of Australia's training sector.

Fahad Khan — Managing Partner

Fahad Khan is a seasoned expert in Australian Migration Law with over a decade of hands-on experience. As the founder of Australian Education Migration Services, he has successfully guided countless individuals through the migration process. Fahad's entrepreneurial spirit extends to the education sector, where he owns multiple RTOs across Australia. His in-depth knowledge of both migration and training industries adds a strategic advantage to Edux Training Center's operations.

Nick Zhang — Academic Director

Nick Zhang, holder of a Master's degree in Electronics and Communications Engineering from Australia, leads the academic vision of Edux Training Center. As Academic Director, he is responsible for curriculum development and the integration of industry-relevant content into our programs. With a strong background in educational design and as an Australian Registered Training Organisation (RTO) owner, Nick ensures that Edux courses are aligned with current market needs and deliver practical value to students.

EXECUTIVE LEADERSHIP

Brenda Dore — Lead Academic Manager

With nearly 20 years of experience in the Australian English Language Intensive Courses for Overseas Students (ELICOS) and Vocational Education and Training (VET) sectors, Brenda Dore stands at the helm of our academic management team. Her extensive expertise ensures that Edux Training Center maintains the highest quality standards in both language and vocational training. Brenda's leadership fosters an environment of continuous improvement and academic excellence.

Bryan Tayag — General Manager

Bryan Tayag oversees the daily operations and strategic business development initiatives at Edux Training Center. With a strong track record in sales, marketing, and business growth across industries such as tourism, real estate, and education, Brian brings a dynamic and customer-focused approach to the management team. His efforts are central to expanding the reach and impact of Edux Training Center in Australia and internationally.

OUR PARTNERS

Elevating Education Through Strategic Partnerships our commitment to excellence in education is magnified through strategic partnerships with esteemed institutions, both in Australia and the Philippines. These collaborations allow us to offer a diverse range of courses tailored to meet the evolving needs of students across various industries.

Australian Partners:

Linx Institute

- Renowned for its innovative approach. Linx Institute excels in providing top-notch healthcare courses. From Diploma of Mental Health to allied health programs, our partnership ensures students receive industry-relevant training and hands-on experience, preparing them for successful careers in healthcare.

Alpha College Australia

- Alpha College Australia stands out for its commitment to nurturing the business leaders of tomorrow. Through our collaboration, EDUX Training Centre offers cutting-edge business courses designed to equip students with the skills and knowledge needed to thrive in today's competitive business landscape.

Kingsford International Institute

- With Kingsford International Institute, renowned for its excellence in culinary arts education, EDUX Training Centre sets the benchmark for culinary courses. Our partnership ensures students receive world-class training, guided by experienced chefs, and gain exposure to the latest culinary trends and techniques.

Philippine Partners:

South Western University (PHINMA)

- South Western University (SWU) is a private, non-sectarian educational institution located in Cebu City, Philippines. Established in 1946, SWU has grown to become one of the prominent universities in the region, offering a wide range of undergraduate and graduate programs. The university is known for its strong emphasis on academic excellence, research, and community service. SWU is part of the PHINMA Education Network and has developed a reputation for producing competent professionals in fields such as business, engineering, health sciences, and education.

Bacolod Academy of Culinary Arts

- Bacolod Academy of Culinary Arts is renowned for its rich culinary tradition and excellence in culinary arts education. Through our collaboration, EDUX Training Centre celebrates Philippine culinary heritage by offering top-notch culinary courses that blend tradition with innovation, preparing students for successful careers in the culinary industry.

Ausphil Management Corporation

- As a leading provider of Australian migration services, Ausphil Management Corporation offers invaluable support to individuals aspiring to study, work, or migrate to Australia. Our partnership ensures seamless transition and assistance throughout the migration process, empowering students to pursue their dreams of studying abroad.

Australian Expert Migration Services (AEMS)

- AEMS is a trusted migration consultancy with offices in both Australia and the Philippines. Specializing in student, skilled, and family visas, AEMS provides expert guidance throughout the migration journey. Through this partnership, EDUX Training Centre supports students and professionals aspiring to study, work, or migrate to Australia with reliable and personalized assistance.
