FairPrice Essentials Ultra MEC Plan

The most comprehensive Minimum Essential Coverage plan offered through CEHAS Plan Administrators — providing broad medical, telemedicine, pharmacy, and ancillary benefits for you and your family.

ULTRA PLAN | 2026

What Is the Ultra MEC Plan?

Who It's For

The Ultra plan is designed for employees who want the most complete MEC coverage available — including in-person office visits, full telemedicine access, comprehensive pharmacy benefits, dental, vision, and more. No referrals needed and no network limitations.

How It Works

The Ultra plan is a $0 deductible Minimum Essential Coverage plan. It covers primary care, specialist visits, urgent care, diagnostics, telemedicine (including dermatology), prescriptions, dental (Dentemax), vision (XP Health), and key ancillary benefits — all through payroll deduction.
