

Know before you rent

1

- ☐ Measure the amount of space you have and compare it to the size unit you want, to ensure the product will fit.

2

- ☐ Please make sure there is a clear path to setup location
 - Inform us if stairs are present
 - Inform us about the type of ground we will be setting up on (grass, cement, asphalt)
 - Bounce houses or balloon domes will not be set up on dirt or gravel

3

- ☐ Check electricity required
 - If the outlet is beyond 25 feet away, please inform us to bring an extension cord.

4

- ☐ Confirm the order
 - REQUIRED- sign contract electronically
 - Pay the security deposit

5

- ☐ Day of event
 - Adult attendant must be present at all times to supervise
 - Do not overload the electrical circuit
 - Familiarize the safety rules and review safety protocol with staff
 - Have fun!
