The Benefits of Being a Church Volunteer

Volunteering and serving helps us discover and develop our spiritual gifts.

God places gifts inside each of us, seeds that can grow into skills and abilities for serving others. A seed will only grow into what it was designed to be when it's planted in the right environment. You'll discover your unique contribution when you start serving! There are many reasons why it's important to get involved as a church in community service.

We can do more together

We are but vessels for God's word. He could have chosen differently, but He decided to use His believers to help spread the Word. On your own, it's harder to plant seeds of faith. Together as a church, our efforts are more successful. Working together, God's people can spread the Gospel effectively.

You are needed

Believing that the church doesn't need you will rob you of the joys God designed for you to experience through serving. Take a risk and get involved. God will honor that step of faith and grow it into so much more!

Please see Pastor Terri Pressley if you are interested in Hope of Glory church service and events volunteer opportunities.
