The New Lectionary, which is the book that contains the Scripture readings for Mass and the Sacraments, is changing as part of the continuing process of revising liturgical translations. This began in 2011 with the Roman Missal and has continued with all the other liturgical texts.

The new Lectionary will use both the English Standard Version -Catholic Edition (ESV-CE) of the Bible and the Abbey Psalter

for the psalms. In preparation for the changes which will become mandatory from Advent 2024, we have pre-ordered the copies for our parish.

March for Life UK London on Saturday 7th September. There are many attempts at the moment to further liberalise abortion in the UK and to silence those offering any alternative viewpoint whether that's 'pills by post' abortions, 'decriminalisation', buffer zones or censorship on pro-life students at universities. The dangers of these situations are being highlighted by the theme for this year's March for Life which is 'Abortion isn't Healthcare'. Join thousands at this family-friendly event.
