Custom Orders, Furniture & More

At Bottles&Wood we believe that your serveware should be just as unique as the cuisine you are serving. We are proud to offer our tabletop collection which aligns with the current farm to table trend. Materials used in our products are locally sourced and handcrafted, allowing us to give back to the community by creating jobs for local craftsmen and supporting sustainability.

Set your serving and presentation apart from the rest with Bottles&Wood's unique line of upcycled serveware, presentation ware, and drinkware. Much of our woodenware collection is handcrafted and designed from California-sourced oak wine barrels and stained with cabernet hues. While our glass serving ware and drinkware is crafted from reclaimed glass bottles. We are passionate about creating equally beautiful and durable products. Nearly all pieces are available with custom laser engraving at an additional cost.

No client is alike. We meet the industrial needs of each client through customization and design of our products. We take your vision and turn it into reality using integrated design and manufacturing. Each piece is carefully conceived with your needs in mind. From concept to completion, we can serve you. If you have a custom project that you would like to develop, please contact us at orders@bottlesandwood.com or call us at 858-384-6114.

Bottles&Wood now creates custom furniture which includes tables, chairs, podiums, shelving units and more.
