Upcoming Guild Meetings

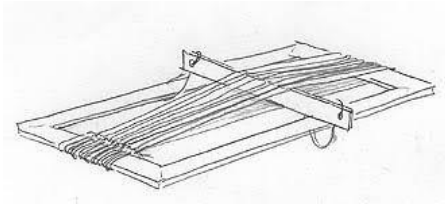

• **November 17th**

• **December 15th**

• **January 19th**

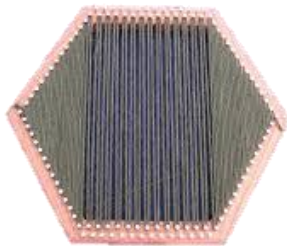

Our program for this month will be presented by our own Linda Erickson and Jeff Beachamsee the next page for details >>>>>>

Remember, our NEW MEETING PLACE - South Tryon Community United Methodist Church, 2516 S Tryon St., Charlotte, NC 28203 (at the intersection of S. Tryon and Remount Rd.)

Frame Loom Weaving

Who says you need a floor or table loom to weave? At our November meeting, Linda Erickson will show you her twining loom and the wonderful rugs she has been making, and Jeff “you can warp anything” Beecham will demonstrate weaving on various shapes of frame looms. You’ll discover just how many ways there are to create woven pieces of all shapes and sizes! Who knows how this may inspire you...

From The President

Dear Members,

I hope your fall season has been full of creative moments!

No matter where I have lived (the Great White North, high desert, DC metro, Scandinavia or the Carolinas), I seem to be most inspired by the autumn. The crispness of the air, the scent of woodsmoke, and the rattle of dry leaves set my mind to racing and give me wicked “startitis”.

My current inspiration is this photo, titled “Fall Framing” by @nicholas_j._narog_photography

It embodies all my favorite fall things and a place I love at any time of year.

I’m not yet sure how I will be interpreting it, but it’s coming to me...

If you went to a fall fiber festival anywhere in the country, I know you saw many new and wonderful things and have lots of new projects in mind as well. I hope you will share your experience and encourage others to explore!

Many thanks to the members who have volunteered at events and programs in the past months. Your outreach helps us to inspire others to create with fiber and lets people know that the Guild is here as a resource.

Your board continues to work to improve the Guild for all members, let us know what we can do for YOU!

Days I recently enjoyed celebrating included: National Men Make Dinner Day, National Vinegar Day, and International Stout Day! In the coming weeks I hope you will join me in commemorating the following: Veterans Day, National Clean Out Your Fridge Day, Mickey Mouse’s Birthday (Nov 18), National Homemade Bread Day, International Day of Tolerance, National Button Day, and Thanksgiving.

PS. – I almost forgot! November is National Banana Pudding Lover’s Month, too!

Meeting Minutes October 2019

Our Secretary was away during the October meeting. If anyone recorded the meeting minutes, please send them to me and I will include them in the next newsletter. Thanks!

Hospitality

For those of you who have not volunteered yet, I am sure that our hospitality chairperson, Peggy H. would appreciate some volunteers for the next few meetings.

For those of you who are new to PFG, the refreshments provided at each meeting are provided by member volunteers. Usually, refreshments are broken down into food and drinks, being provided by different volunteers.

Opportunity items are donated materials, equipment, etc., that are auctioned at each meeting by way of purchasing tickets for \$1 donation to the guild. Peggy is also in charge of recruiting volunteers to donate materials for the drawings that we have at each meeting.

Please contact Peggy H. if you are able to help out with either .

25 Million Stitches

This project brings awareness to the immensity of the refugee crisis through a single striking fiber art installation! She is asking volunteers to hand stitch a panel to represent one refugee. If you're interested in contributing, check out the details on the Fiber Art Now website.

One Thing Off the 'Bucket List' from Sallie O.

On Thursday, October 17, my husband and I took off for New York and the New York Sheep and Wool Festival, also known as 'Rhinebeck' for its location in Rhinebeck, New York. After a very long day of driving, we arrived in Kingston, New York, across the Hudson River and about a half hour's drive from Rhinebeck. Friday we had time to get our bearings, explore a little in Kingston, and learn how to get to the fairgrounds and where to park for the festival the following day.

Saturday was beautiful and cool, just right for wearing one's 'Rhinebeck sweater', and it was fun to see the great variety of knitted garments worn at the festival. The place was absolutely packed by 11 a.m., to the point where it was impossible to get into some of the booths. NYSW is bigger than SAFF, but I'm not sure how its size compares to Maryland Sheep and Wool. Some of the vendors were local to that part of the country, but there were also quite a few familiar vendors that we see at SAFF yearly. There were sheep in the barns, lots of classes, plentiful permanent restrooms, a variety of food vendors, a book-signing area, and a barn containing an antique museum including some fiber equipment.

The village of Rhinebeck is quite picturesque, with interesting shops and tasty restaurants. The Hudson River valley is such a historic area of the country. We found a great little museum in Kingston, the Hudson River Maritime Museum, that is well worth a visit if you are in the area.

I'm glad we made the trip and I got to experience Rhinebeck and the Sheep and Wool Festival. I do not want to drive from here to there in one day again. I doubt we'll make that trip again, but it was fun to do it once.
